

Backup

- Next slide shows the self-supported bicycle tour I'd been planning to take with some friends. When the plastic surgeon said my head wasn't healed enough to wear a bike helmet, I drove a Traverse with sag trailer instead.
- Dr. Granados made sure I got my IV antibiotics and gave the OK as long as they could stay in a cooler. My friends made sure I took them once a day.

Bicycling directions are in beta. Use caution and please report unmapped bike routes, streets that aren't suited for cycling, and other problems here.

Suggested routes Wilderness Park Dr 274 mi, 22 hours 58 mins

Bicycling directions to Wilderness State Park Via US-31 N, Bridge St, Boyne City Rd, M-119 N/N Lake Shore Dr, M-119 N/N Lake Shore Dr - remove

Drove a Traverse with sag trailer the first week of August because I couldn't yet wear a bike helmet. But I got to enjoy the scenery, camping fellowship & take lots of pictures!
